

1 :INTRODUCTION:

1.1 OVERVIEW

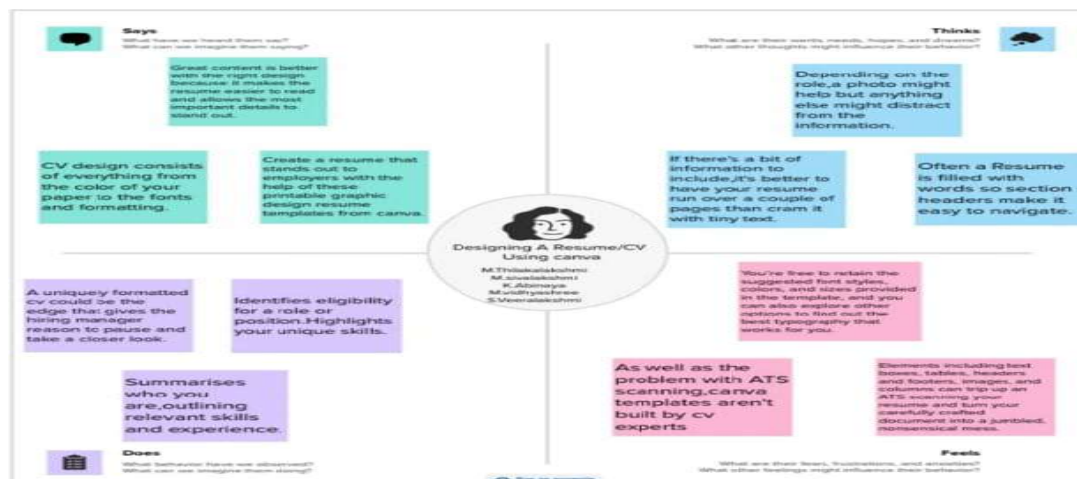

A resume is a **formal document** that a job applicant creates to itemize their **qualifications for a position**. A resume is a **bulleted overview** of your work experience, **education and skills**. A cover letter, as the name shows, displays your skills The **spelling of resume** comes from the French word for “summary.” The original meaning carries through today, because the purpose of a resume is still to provide employers with a summary of your relevant qualifications.

1.2 Purpose

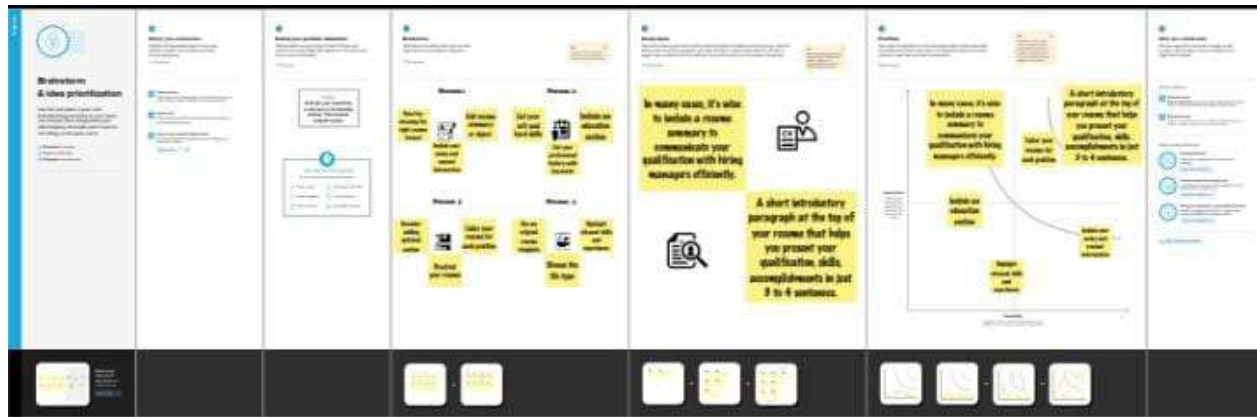

A resume is to give your potential employer a feel for your past experience and skills. Remember you are trying to sell yourself, so emphasize your strengths. Most employers look for a steady job history and positive patterns of progression.
